#### Meetings

Pack meetings (meetings of the whole group) are held every 3<sup>rd</sup> Thursday of the month at 6:00 at the Holy Cross Lutheran Church in the meeting room in the back. All scouts are asked to wear their Class A uniforms if possible. Please be there by 6:00 so the meeting can start on time.

Dens are group separated by the child's grade level. Each den meets separately to work on requirements for their rank. Dens are identified by the following chart:

Grade	Rank	Den Leader	Phone Number
Kindergarten	Loin		
1 <sup>st</sup>	Tiger	Eric Mercer	772-8327
2 <sup>nd</sup>	Wolf		
3 <sup>rd</sup>	Bear	Jason Fling	293-7499
4 <sup>th</sup>	Webelos 1	Jamie Wenske	293-0276
5 <sup>th</sup>	Webelos 2	Patrick Frank	772-4787

## Uniforms

We use 2 types of uniforms. The official uniform that buttons up with the patches on them are called **Class A** uniforms. You are asked to wear these at pack meeting and any time you want to look official, like in a parade, flag ceremony, or other special events. There are multiple options on getting these but the easiest is going through the council scout shop and letting them sew the patches on. Info on how to do this will be provided. Handbooks can be ordered at the same time. You can also get uniforms at Melvin's in Victoria but they won't have the council patch there.

Any other time we are together we normally wear what is called **Class B** uniforms. These are just a pack tee shirt. We will order these as a pack and an order form will be given to you.

## Communications

You can contact any leader with the phone numbers provided on the first page if you have any questions anytime. When we want to send out info to others, we use the following:

Email: yoakumpack224@gmail.com  
Facebook Group: Yoakum Pack 224  
Remind: 2020-2021 Pack 224  
Scoutbook App: Scouting (red background)  
Website: www.yoakumpack224.com

We will post on all the above ways, but the Scoutbook app is something you should download. You can not only see what's going on and see the pack calendar, but you will be able to see and update your child's advancement as well. This is our second year using this, but it seems to be a very powerful tool.

## Youth Protection

The only way to achieve true youth protection is if every parent knows the BSA Youth Protection Guidelines. It is mandatory all registered adults have current YPT training (this expires every 2 years), but it is also important that every adult that isn't register have this training as well. When we go on any outings it is mandatory all adults (registered or not) have this training. To get this, simply go to [www.scouting.org](http://www.scouting.org) and follow the links. Please turn in the certificate when done to either the cubmaster or committee chair.
